The Parent PLUS Loans are federal loans for parents of dependent students. For Federal Financial Aid purposes, dependency is determined by filing the *Free Application for Federal Student Aid (FAFSA)*, and not by the dependency status for Federal Tax filing. **The FAFSA must be filed before we will process this request. Also, for students whose parents are no longer married, if the parent whose information is not reported on the FAFSA applies for the PLUS loan, the student must submit a memo indicating the parent's relationship to the student and, the parent's citizenship status. A stepparent may apply only if that individual's information is listed on the FAFSA.**

**SECTION D: LENDER SELECTION**

To apply for a Parent PLUS loan, you must select a lender that participates in the Federal Parent PLUS Loan Program (FFELP). The "UHEAA" lenders are Utah lenders that use Utah Higher Education Assistance Authority (UHEAA) to guarantee loans. Utah Lenders sell the loans to UHEAA for servicing. UHEAA is the state guarantor for Utah. "ELM" lenders may or may not have a physical presence in Utah, and do not work through the state guarantor. Processing fees and repayment benefits may vary from lender to lender, but the interest rates are always the same.

If your lender is not listed on the UHEAA or ELM websites and you have verified that they participate in the FFELP loan program, please list the name and lender code in the spaces below. **Not all lenders participate in the PLUS loan program**
